

Bookmarks for two-year Bible reading plan.

There are four sets of bookmarks in this series. Two will be used for the first year, and two are for the second year.

In the first year follow the set labeled “Old Testament—year 1” and the set labeled “New Testament & Psalms.” Set the other two sets aside for next year.

You may wish to complete both sets in one year, as that was the original intent of this Bible-reading plan, and is the way I completed it the first time I read through the Bible in a year. I have modified the plan to make it easier to keep up with the reading, and to make it possible to spend more time on each chapter by reading it at a slower pace.

This Bible reading plan was originated by Robert Murry M’Cheyne. I followed his plan to create these bookmarks to make it easier to keep up with the reading schedule. This set of bookmarks will be downloadable from my websites, www.janicedgreen.com and www.hiswhisperings.com. I also found a handy website at: <http://www.edginet.org/mcheyne/calendar.php> with links to the daily Bible readings

I have organized a group on Facebook at <https://www.facebook.com/groups/TwoYearBibleReadingPlan/> and will also blog about this Bible reading plan in 2020 and 2021 on www.HisWhisperings.com. I plan to schedule the posts to appear on the dates we begin reading each book in the Bible rather than on a daily or weekly schedule.
